The Band of America's Few is a musical organization comprised of veteran and active duty Marine Corps Musicians. Our members volunteer their time to give back to our country by traveling to a performance location from their homes around the globe. The Band of America's Few performs at events such as patriotic concerts, parades, ceremonies, military funerals, and tattoos.

We will honor the *“Heroes Among Us”*, both past and present Veterans, Active Military, and First Responders, in the local St. Louis area over the upcoming Memorial Day weekend.

For more information about our organization or this free concert please email Wes Locke, our Director of Communication and Marketing at:
